Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner phoned Applicant to suggest amending independent claims 1, 11, 21, 31 and 32 in order to overcome a potential USC 112 2nd paragraph rejection, in order to place the application into a condition for allowance. Examiner pointed out to Applicant that the language "wherein a pin may be specified/associated", as recited in the independent claims, is indefinite and is subject to a potential 112 rejection. Examiner has made the suggested changes by way of Examiner's Amendment.
